Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and are not intended to represent the actual dimensions of the unit. Actual dimensions may vary from the dimensions shown on this floor plan due to construction tolerances and field conditions. Measurements of rooms set forth on any floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. All dimensions are approximate and all floor plans and development plans are subject to change.
